The student’s family completes Form 157N and provides proof of relationship to Department of Immigration at the time of visa application for approval of these arrangements. The Department of Immigration must also approve any further change of welfare arrangements.

      ii. advising the Department of Immigration of any change of address, passport or other changes of circumstances

2. **The student will live in College approved accommodation and care arrangements and the College will generate the welfare letter (CAAW) via PRISMS to accompany the student’s Confirmation of Enrolment (CoE).**
   
   In this case:
   
   a. Any accommodation, welfare and other support arrangements for the student must be approved by the College
   
   b. Any changes to approved arrangements must also be approved by the College. This includes any requests by students under 18 years of age to attend ‘Schoolies Week’ on completion of Year 12
   
   c. If a student for whom the College has issued a CAAW refuses to maintain approved arrangements, the College will report this to the Department of Immigration and advise the student to contact the Department of Immigration to ensure visa implications are understood.    c. Immediately advise the College if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the College is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder’s absence, the College will provide documentation approving temporary care arrangements for the student for the Department of Immigration via PRISMS.

If there is not a valid reason for travelling overseas, or if the College is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder’s absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the College will advise if compulsory attendance requirements will or will not be affected by the student’s absence.
   • All students are required to notify the College of a change of address while enrolled in the course, and students who live in College approved accommodation must not change agreed arrangement without prior approval of the College
